

MOPANE BUSH LODGE ****

This magnificent lodge is adjacent to Mapungubwe National Park & World Heritage Landscape in South Africa's Limpopo province. This northern most "Pearl of Limpopo" lies close to the border with Botswana & Zimbabwe.

Mopane Bush Lodge is a tranquil bush retreat, graded as a 4 * luxury lodge, of African Renaissance design and nestled in the Mopane bushveld. It is situated on its own 6000ha private nature reserve in the Limpopo Valley – a safe environment to go walking, cycling, or birding with or without a guide.

There are eight secluded twin bedded thatched chalets with en-suite bathroom, each in their own kraal with exclusive veranda and additional outdoor shower. It is the ideal setting for a really comfortable bush experience.

Excellent international and local cuisine is served with a special personal touch, in the spacious dining room, in the boma around the fire, in the lapa around the pool or on the grass under the stars. Our meals and meal times are designed to suit the needs and activities of the guests.
