

## FROM JOHANNESBURG/PRETORIA

Travel on the N1 North highway out of Johannesburg, which goes round the East of Pretoria. Travel on this highway for about 300km to Polokwane (Pietersburg), through four tolls, totalling about R85. We suggest that the best place to stop for fuel and a snack is Star Stop – The Ranch, 20 km before Polokwane

At the entrance to Polokwane turn left, at the forth traffic lights, into Nelson Mandela Drive. Follow this road round the town to the seventh traffic light, where you turn right at the sign showing to the R521 Dendron (Mogwadi). At the next traffic light turn left and you are on the R521 to Dendron (Mogwadi) & Alldays.

Proceed along this road for 140 km, past Dendron (Mogwadi) and Vivo to Alldays. We recommend you observe the speed limits in these three towns. At the stop sign in Alldays turn right and proceed towards Pontdrif. At 46 km from Alldays turn right onto the R572 to Mapungubwe and Musina.

**Mopane Bush Lodge** is 29 km along the R572 on the right, just past the cell phone tower. Turn onto the gravel road to the gate. Open the gate by pushing the button on the pole under the light. Follow signs to Mopane Bush Lodge. There is about 3 km of gravel road to the lodge.

Total distance from Johannesburg to Mopane Bush Lodge is about 540 km.
