Directions from the Airport (N2)

If you are coming from the airport head towards Cape Town on the N2 for about 16 km.

The N2 will then turn into the M3, do not take the left lane to Rondebosch/Muizenberg, stay on the M3 a little further and the next left lane will take you onto "DeWaal Drive (M3)".

You will start to see brown tourism signs for "Cableway", keep following these until you see Garden's Shopping Centre in front of you on the left, it's a big 20 story building.

Take the slip road off the highway before reaching the shopping centre which will take you down to Buitenkant Street, at the traffic lights take a left and head up the hill towards the mountain.

Flower Street is the 4th turning on the right just past the Engen garage; we are at number 3, the big white building.

Directions from N1

If you are coming from the N1 take the Oswald Pirow turn off in town, turn left onto Oswald Pirow and follow this road over the bridge and over several sets of traffic lights, keep on this road heading up hill past the Good Hope Centre, past the University, don't turn off this road until you get to a T junction by the Ferrari Showroom.

Take a left onto Roeland Street, then an immediate right and follow this around the bend until you come to a main road.

Turn right and take the slip road after about 200m down to Buitenkant Street, you will come to some traffic lights. Turn left and head up the hill towards the mountain, Flower Street is the 4th turning on the right just past the Engen garage; we are at number 3, the big white building.
